Other items:

Please do not enclose pocket knives in the trunk!

* Can be rented or bought from camp

** Recommended if participating in related sports activity. However, camp does provide baseball gloves, lacrosse sticks, golf clubs, tennis racquets, riding helmets and other equipment without charge. Do send campers' own equipment if they prefer. We suggest riding boots for children who plan to participate in our horse-riding program. Wetsuits are required for girls and for children who are frequent or aggressive waterskiers. The camp does NOT provide these.
